PUBLIC NOTICE OF INTENT TO AWARD

Date: May 8, 2014

Title: EHR Software Technology Solutions

Intended Contractor: Credible Wireless Inc.

Amount: \$ 959,280.00

Contract Officer: Jay Goding
434-847-8050

Comments: Credible Inc. exceeded the amount of proven and successful clients (17 CSBs in Appendix D) that utilize VA State reporting to DBHDS, "yes" to all of the "requested functionality that is available in the software application in their current release to all of their customers" (in Appendix B "Functional Specifications Scoring Sheet"), and cost was the outcome of this RFP #4744. These were Horizon's priorities and the highest criteria of importance to make a sound educated decision for this selection.
