## Clinical Electronic Medical Record Systems

### RFQ #JG091710 Addendum II (Q&A)

September 27, 2010

A response to questions received will now follow:

1. Can we have a copy of the Terms & Conditions referenced in section VIII to review and respond to with any questions or concerns?

See attached. [Addendum for RFQ #JG091710 \(Clinical Electronic Medical Record Systems\) II.doc](#)

2. Will the successful bidder from this be precluded from bidding on the resulting RFP?

If a vendor is awarded a contract to write a RFP, it would be a conflict of interest for them to bid on that particular project.

3. Is there any SWAM/small business preference or set-aside for this RFQ?

Yes; however no set-aside.
